## CWS BLANKET

One night in the cold is all it takes to remember how important a blanket is. For people around the world struggling to sleep on freezing sidewalks, in unfamiliar evacuation centers and shelters or in drafty homes, a blanket is a treasure. Give a blanket to cover someone with warmth and the reminder that they're not alone.

\$15

## CWS HYGIENE KIT

Personal hygiene is one of the first defenses you have to protect your body – and your community – from transmittable diseases. But imagine not being able to find or afford basic toiletries like soap. A CWS Hygiene Kit provides the basic supplies so our most vulnerable neighbors stay healthy and strong!

\$17

## FOUR CHICKENS for a family in Tanzania

Protein is an important part of a child's development, but families in rural Tanzania don't always have access to it. That's where chickens come in. Chickens provide a constant supply of eggs (protein), and those eggs can also be sold to pay for healthy vegetables. Give the gift of chickens today to promote a well-balanced diet.

\$25

## A TOY FOR A REFUGEE CHILD in the United States

Refugee children have often lived through traumas, life-altering moves and persecution. So when they find home in the United States, it's important that they also find their childhood again. Give these precious children a chance to just be kids. You'll be providing joy and laughter during difficult times!

\$30

## HOUSEHOLD WATER FILTER in Cambodia

Having water and having CLEAN water are two very different things. Dirty water can contain deadly diseases, and for families in rural Cambodia, every sip is a risk. This gift will equip one household with a daily supply of fresh, clean water for drinking, washing and cooking.

\$40

## WINTER WARMTH KIT in Bosnia

Refugees who have fled to safety in Bosnia often arrive with very little but the clothes on their backs. With subzero temperatures on the horizon, a Winter Warmth Kit is a meaningful gift. Each kit includes a backpack, scarf, hat, raincoat, gloves, underwear, toothbrush, toothpaste, towel, soap, shampoo and sleeping bag.

\$75

## GROCERIES FOR A REFUGEE in the United States for a week

Buying healthy food is hard when you're new to an area and have a limited income. Help a refugee settle into their new situation and show them that someone cares about their daily wellbeing by supporting them with a week's worth of groceries.

\$85

## A GOAT in Haiti

Goats are a big deal in Haiti. They produce milk, fertilizer and... baby goats! Goats can be sold in markets so that families can pay to meet other needs. Give a goat to a family for a big-deal response to hunger.
